New Answer Method Makes a Big Hit. Public Quick to Realize Advantage of Sending Replies to "Want" Ads by Telephone.

The telephone achieves another victory. The want ad answer system inaugurated by The Republic, which was the first newspaper in the world to adopt it, has already made a big hit.

Realizing the possibilities of immediate and absolutely safe delivery of answers, and appreciating the economy effected in time, trouble and cost, the public has responded enthusiastically to The Republic's invitation to send replies to want ads by telephone.

The popularity of the plan, judging from its workings since it was established only a few days ago, is easily assured.

In an age of labor and money saving devices, an idea that serves to lengthen life and enrich mankind could not fail of recognition.

Hence the success of the "Want" Ad Answer Department, established for the convenience of advertisers and the public alike.

The method is simple. Any advertisement in the Want pages bearing an office number of The Republic, can be answered by telephone.

If you are interested in any of these little announcements and desire to reply to it, just call up plain 3650 or Kinloch A 675. The "Want" Ad Answer stenographer will write your answer verbatim, or if you do not care to dictate all you want to say, tell her the facts briefly and she will write the reply for you.

In a few minutes your answer will be in the advertiser's box. You get immediate action and save yourself the bother and expense of writing and mailing a reply.

To be convinced, try the plan TO-DAY. The phones are Bull, Main 3650; Kinloch, A 675.

Telephone your answers any time after 8 a. m. and up to 6 p. m. On Sundays, between 1 and 6 p. m. only.

We have openings for several good traveling salesmen.
